

Department of Chemical and Process Engineering

M.Sc/PG Diploma in Sustainable Process Engineering

Code	Course Module	Credit
CH 5010	Energy Management	3
CH 5020	Environmental Biotechnology	4
CH 5030	Sustainable Process Industry	3
CH 5040	Chemical Engineering Principles	4
CH 5050	Process Analysis and mapping	3
CH 5060	Process Safety and Risk Management	3
CH 5070	Sustainable Process Development Techniques	3
CH 5080	Engineering Research Techniques	3
CH 5210	Sustainable Process Design	3
CH 5220	Process Management in Industries	3
CH 5230	Air Pollution Control	3
CH 5240	Sustainable Supply Chain Management	3
CH 5250	Process Modeling and Simulation	3
CH 5260	Process Optimization	3
