

DEPARTMENT OF ELECTRICAL ENGINEERING

VACANCIES

Applications are invited from suitable candidates for 3 positions of Lecturer (on contract) in the Department of Electrical Engineering.

Those who are interested shall forward their applications with a CV to the Head of Department of Electrical engineering on or before 12th October 2020.

Qualifications

To be eligible for lecturer (on contract) appointment, you must have earned a BSc Engineering degree of four year duration from a recognized and accredited University program in the specialization of Electrical Engineering. In addition, you must have graduated with a standing of at least second class upper division pass. A demonstrable passion for teaching and communication to an academic career will be of definite advantage.

How to Apply

The application deadline is 12th October 2020. Forward the application in an envelope with a covering letter and your CV to the Head of Department of Electrical Engineering. Clearly mark on the envelop the post you are applying for. Include copies of your official degree certificate and transcript.
