

# INTERNATIONAL SYMPOSIUM ON EARTH RESOURCES MANAGEMENT AND ENVIRONMENT

23<sup>rd</sup> October 2020

## IMPORTANT DATES

Abstract Submission	<b>15.07.2020</b>
Notification of Acceptance	<b>07.08.2020</b>
Submission of Full Paper	<b>21.08.2020</b>
Notification of Correction	<b>21.09.2020</b>
Camera Ready Paper Submission	<b>07.10.2020</b>

\*\*\*An Abstract not exceeding 300 words to be submitted by email

University of Moratuwa, Sri Lanka

+94 112 650 353

*This symposium is organized to create an international forum for academics, researchers, industry leaders, professionals and alumni to come together, showcase latest findings and to have constructive discussions across a broad range of disciplines related to Mining and Earth Resources Engineering. The event also seeks to network with a large number of organizations and individuals at national and international level, and be a pioneer in encouraging innovations and sustainability.*

## RESEARCH THEMES

- Mining, Tunnel Engineering and Rock Blasting
- Engineering Geology and Geotechnical Engineering
- Mineral Exploration and Groundwater Studies
- Mineral Processing and Value Addition
- Ocean Resources Engineering and Petroleum Engineering
- Disaster, Resources Management and Environmental Engineering

**DEPARTMENT OF  
EARTH RESOURCES ENGINEERING  
UNIVERSITY OF MORATUWA, SRI LANKA**
