

UNIVERSITY OF MORATUWA

Faculty of Engineering

APPLICATIONS ARE INVITED FOR THE MASTER OF SCIENCE IN NANOTECHNOLOGY

2025/2026 INTAKE

Discover the Boundless Potential of Nanotechnology in Materials Science and Engineering through Our Pioneering Program in Sri Lanka. Take the first step towards a future filled with innovation and groundbreaking discoveries.

Target group

Engineers, Scientists and Technologists working in industry, research institutes and academic establishments.

Eligibility

A person is eligible to follow this course if he/she has any of the following qualifications:

- The Degree of Bachelor of the science of Engineering of the University of Moratuwa specializing in a relevant field; or
- Any other engineering degree or Bachelor of science degree of at least four years duration, from a recognized University, in a relevant field as may be approved by the Senate; or
- Any other engineering, science or technology degree of at least three years duration, from a recognized University, in a relevant field and a minimum of two years of recognized appropriate experience, as may be approved by the Senate; or
- Any recognized category of membership of a recognized Professional institute, obtained through an academic route, with a minimum of three years of recognized appropriate experience obtained after the membership, as may be approved by the Senate.

(For further details, please refer the Department website at <http://www.mrt.ac.lk/material/>)

Application

Download the application form from the website or collect the same from the Department of Materials Science and Engineering, University of Moratuwa, during working hours, Monday to Friday from 9.00 a.m. to 4.00 pm.

Contact Details: Dr. DAS.Amarasinghe (Course Coordinator)
T.P.: 94-11-2640440– Ex. 5128
