

# Syllabus

## Semester 7 & Semester 8

### Module Code

### Module Name

#### Semester 7

TL 4204	Research Project
TL 4864	Business Planning Project
TL 4064	ICT for Transport & Logistics Operational Systems
TL 4080	Strategic Procurement Management
TL 3084	Human Resource Management
TL 4074	Business Law
TL 4334	Transport Infrastructure Investment
TL 4420	Freight Transport Systems
TL 4224	Port Operations & Management
TL 4430	Airport Operations and Management
TL 4254	Aviation Technology and Operations
TL 4214	Inventory and Warehouse Management
MA 4042	Neural Networks and Fussy Logic

#### Semester 8

TL 4204	Research Project
TL 4864	Business Planning Project
TL 4090	ICT for Transport & Logistics Management Systems
TL 4014	Strategic Management and Corporate Planning
TL 4044	Project Management
TL 4234	Passenger Transport Systems
TL 4440	Urban Transport
TL 4284	Shipping Operations and Management
TL 4324	Port Planning
TL 4264	Airport Planning and Design
TL 4274	Airline Operations & Management
TL 4314	Strategic Supply Chain Management
TL 4450	Supply Chain Risk Management
MA 4033	Time Series and Stochastic Processes

Semester	Transport & Logistics	Management	Skills
S7	ICT for Transport & Logistics Operational Systems Strategic Procurement Management Transport Infrastructure Investment Freight Transport Systems Port Operations & Management Airport Operations and	Human Resource Management Business Law	Research Project Business Planning Project Neural Networks and Fuzzy Logic
